

Safety Declaration External Entity

1. I, the undersigned, employer of employees for the purpose of carrying out activity and works within the HPC grounds, hereby declare that information has been brought to my attention regarding the risks and safety instructions within the HPC grounds, and that the risks and safety instructions within the HPC grounds are clear to me.
2. I hereby undertake, that I and/or my employees shall fulfill the health and safety requirements in accordance with any law, that we shall uphold work regimes and discipline and that we shall conduct ourselves in accordance with the instructions of the HPC CEO or of whoever has been authorized by him.
3. I am aware of my responsibility for the safety of the employees and/or subcontractors operating on my behalf, and I undertake to make sure the HPC requirements as they have been communicated to me are obeyed.
4. I undertake to train my employees and/or subcontractors operating on my behalf regarding the risks within the HPC grounds and the safety instructions as required, prior to them executing their activities within these grounds.
5. I undertake not to carry out any activity without obtaining the appropriate permit according to the details in the safety instructions.
6. I undertake not to carry out activity within the HPC grounds without coordinating with the "Grounds Manager".
